## **Public Notice**

### **Relocation of City of Cleveland Department of Public Safety Communications Section**

**CLEVELAND** – As of September 29, 2015, the Communications Section of the City of Cleveland Department of Public Safety will relocate from 2001 Payne Avenue to the Third District Headquarters at 4501 Chester Avenue. The emergency telephone system will activate on this date.

During the transition phase, the system will not immediately have a voice acknowledgement upon call-in. This feature will activate in January of 2016. Prior to activation, callers will continue to hear ringing until answered by a call taker. Callers should not see this as a concern and know that their calls will be answered in the order in which they were received and in a timely manner.
